ZONE CHAIRMAN GWEN'S MESSAGE

Once again, our clubs in Zone F-3 have made me very proud. We had 13 members attend Spring Conference. We represented 5 clubs of the 8 in our zone. This is an extremely busy time of year for our members involved in agriculture as a business and I am sure that was the reason that all eight clubs were not able to attend.

A VERY SPECIAL THANK YOU to the Clubs that provided some wonderful door prizes for bidding or raffles. The home made quilt from College Place (made by Dorie Williams) was exquisite. Also the Waitsburg Lions provided two wonderful prizes, an outdoor bird watching basket from Waitsburg Hardware and a wine and cheese basket from Etc., also in Waitsburg. The Eastgate Lions provided a great basket also. (Coffee and chocolate!) The hosting committee and club were very concerned about covering the cost of the conference, but these gifts that were donated made it "squeak" over the top. Thank you clubs!

The District Governor has completed his visitations to all of our clubs as of March 23rd. Prescott made him feel really welcome, with a wonderful steak dinner and he rewarded the club with two prizes of Hydroplane Packages for the Water Follies at the end of July. Mike & Julie and Matt and Patti both were drawn and were very excited to be the winners!

I have also officially completed my club visitations, but I will be available if you need me to attend one of your functions, do an induction etc. Please just check the date with me.

I am working on scheduling Officer Training, hopefully in Waitsburg. As soon as it is scheduled, I will email you. This brings up the most important thing that must be done this month, officer election and most of all reporting. Let's surprise everyone and have 100 % compliance and 100% reporting also. If you have questions about dates, etc. Contact me, I'll try to help!

Please let me know, by email is great—of your last meetings of the summer, etc. If you have awards that you are giving out, I will try to attend if at all possible, take some pictures, and offer extra congratulations.

Every club is working on their "White Cane" Projects. The Vision Project is one we all are so proud of and work hard to make our communities aware of the work that Lions do on this project. If you have time, plan a special guest (optometrist) to present a program on vision needs. It will help club members appreciate the work that Lions do around the world to help those with vision challenges. This is also a great opportunity to invite your newspaper editors to attend and advertise the work that Lions do for visually impaired children and adults.

FYI: We have a new club associated in Waitsburg, the Leo Club at the High School is being sponsored and chartered by the Waitsburg Lions and they held a joint food drive on March 11th. It turned out great! The kids and the adults had a fun night and the local food bank gained over 1500 pounds of groceries. Good Job! Great of you to be concerned for those in need. Also heard the kids loved the hamburger feed that followed the event.

Annual Convention will be held in Olympia on May 14-15-16. Walt and I are planning on attending. Please think about joining us on our Capital adventure. This is really a pretty city to visit in the spring, I plan to be trained this year on how to be a Zone Chairman, not just wander around in the dark and pick my way thru the year. Remember, this is the last year that I can serve as your zone chairman, so if you are thinking about stepping up, please let me know and I will help you get ready for the fun job as a zone chairman.

This brings up another subject, *Thank You* all for your kind words regarding my ability to get the job done. It really pumps me up, and helps me want to do more! I am truly very appreciative of everything that you do in your community in the name of Lionism. You are great!

Last, please plan on attending my fun only zone party on June 6th. I especially hope that the club presidents and secretaries from this year and the club presidents for next year can attend. Please gather your RSVP's by club and let me know an accurate count for the number of guests. We always have fun parties and I am looking forward to this one also! Walt and I will provide the meat, beverages and table service. Please help out with your potluck side dishes. No pressure, everyone just bring their favorite dish!

Thank you all again! Gwen

NEWS FLASH

On April 5th, the citizens of Waitsburg elected Walt Gobel as Mayor of the City. It was a challenging campaign for him and for the other five candidates that joined him on the Truth and Trust Caucus for the positions as City Council Members. (Remember, Waitsburg is operated under the old Charter System yet, and it is truly One of a Kind) All five candidates on the Truth and Trust ticket were also elected City Council members.

Walt thanks everyone that offered their support, financial commitment, and personal and positive encouragement during the course of this campaign. Thank you all!
